

Aline Kramer

UX Designer

01 PROFILE

As a creative and detail-oriented person with a passion for user-centred design, I am focused on designing clean and functional products across all platforms that people love.

02 WORK EXPERIENCE

The Benchmark Design GmbH

UX Designer

06/2021 - Present

As a UX Designer at Benchmark Design, I lead various projects for clients such as ProSiebenSat.1 Media and Simba Dickie Group. I am responsible for client communication, project management and the entire UX Design process from analysis and conception to high fidelity wireframing and successful launch.
